

## Preschool 2 Taste Test

March 1, 2018

Ms. Heather's Preschool 2 class had a yummy day at school exploring their sense of taste.

The students knew they have over 10,000 taste buds on their tongues which tell their brains when foods are salty, sweet, sour or bitter.

These students certainly applied their learning to real-life (delicious) situations!

## Socratic Discussion - The Book Thief

March 2, 2018

Dr. Cooper hosted a Socratic Discussion in the 8AB and 8C English classes today. The discussion was student-led, and involved open-ended questions the students developed on their own.

The students enjoyed working on their communication skills - speaking with and listening to others - as well as some higher order thinking skills.

## Parent-Teacher Conferences

March 8, 2018

It was so great to see so many of our parents at school last week for Parent-Teacher Conferences. We appreciate

all of you who completed our school improvement survey, as well as filled in our updated registration forms. If you'd like to complete a survey, please click on the links below to visit the surveys:
